A DJ, Ross Mac, is the central figure of the advertisement. He is a man with short brown hair, wearing black-rimmed glasses and a black t-shirt. He has large, silver and black headphones around his neck and is smiling broadly at the camera. The background is a dark, out-of-focus scene of a party or concert, with many people's hands raised in the air, illuminated by purple and blue stage lights. The overall mood is energetic and festive.

Why Our Clients Love Us & Why You Will Too

Paris Sontag
English Wedding in Las Vegas

Ross was not only a DJ at our wedding but a helping hand throughout the big day & the build-up towards it. With the knowledge from working on previous weddings overseas there was not 1 item he didn't cover before flying out there taking charge of extra arrangements, organising video calls, making sure we was up to date and happy with the plan for our big day! Ross got every song choice spot on there was never an empty dance floor, which is what you want for your big day, everybody up & enjoying themselves. We would highly recommend Ross & the RM Events Solutions team. Thank you for helping make our big day so special & memorable.

Ross and his team are the best!

Ross and his team are the best!
When we booked our wedding, Ross was the first supplier we booked. He really listens to what you want from your event and adds such amazing personal touches. We booked a Saxophonist through Ross for our wedding reception drinks and to come back in the evening. The Saxophonist was incredible. Every comment we have had from our guests is saying how amazing the music was. The dance floor was always filled. My Husband and I could not ask for a better wedding day. Ross really made our dreams come true. Thank you so much Ross and team.

RMEventSolutions - NYE Wedding DJ

Ross did all the music coordination for my New Year's Eve Wedding.
He did an amazing job, and everyone was impressed with not only the music, but with the additional services he provided. A DJ, MC & Saxophonist.
I've been to at least 7 or 8 private functions that Ross has provided the music for and he never disappoints. Very professional, and always asking questions in the lead up so you know exactly what you're getting! Would 100% recommend to others.

Always my go-to for events!

I've been using Ross and RM Event Solutions for events for about 20 years, and he never disappoints. Have had him play for small parties and huge corporate events, and he blows the roof off every time. The latest event he did for me was our 30th ICAP Charity Day; he brought along a sax player and bongos too - both were fantastic. They were due to end at 7....we had them play until 9.45 pm in the end, as everyone was having such an amazing time. I would never use anyone else. I recommend him to anyone who asks me to - he's played a lot of friends' and families' weddings and parties.

The dancefloor was full all night

Ross was the DJ at a wedding I worked at in May 2022, his talent and ability to read the crowd was impeccable. The dancefloor was full all night and he even extended his set as the groom didn't want the party to stop. I've now booked Ross for weddings in 2023 and looking forward to working with him again.

Amazing wedding

Wow what a fantastic wedding. Ross and squad put so much into making this wedding such a success. From the first moment we started the planning to the end of the wedding night, Ross has been there 100% and has given 5 star treatment. The caterers, teepee hire, the DJ, sax player and amazing singer. The dance floor was electric and packed all night. Thank you Ross for making this happen.

The wedding day was honestly made by Ross' DJ skills and hosting on the mic! He got everyone going and the party started, from start to finish so professional which made it feel like a proper event! Ross knows the best music to get everyone on the dance floor and his shout outs throughout the night made everyone feel special, couldn't have asked for a better DJ and host on the mic for my sister's wedding day! Amazing.

Our Santorini Wedding

Where do I even start!? Ross recently DJ'd and hosted our whole wedding day in Santorini & he was amazing from start to finish. He knew exactly what to play for our guests so they didn't leave the dance floor & his epic hosting just made the whole day flawless. It wouldn't have been half as good without Ross there so I will forever be grateful for giving us the best wedding day we could have ever imagined! Ross you are incredible!
BEST DJ ON THE ISLAND! ❤️ Highly recommended & if you want a proper party, don't go anywhere else except RM Event Solutions!

We booked Ross and his team for our wedding in September, and they were genuinely, amazing! Ross was recommended to me by a friend of mine who'd had him DJ at both her engagement and wedding parties, and I'm so glad we chose him!

From the start, Ross was organised, friendly, and helpful, explaining our options and understanding what we were looking for. He absolutely nailed it, along with the amazing singer and sax – they got everyone up on the dance floor, and created a relaxed but lively party which was exactly what we wanted.

Ross and his team were professional, fun, and really easy to work with. With all the stress of planning a wedding, it was so nice to not worry about the music and entertainment at all. We couldn't recommend them more!

Wedding

When we decided to get married, there was only one person we wanted to have in charge of the music 🎵. I've known Ross for over 10yrs now and would highly recommend him to anyone for an event. He spent time with us before our wedding discussing our wishes for the day, with him also being able to offer advice and suggestions based on his experience. Everyone has said how amazing the music at our wedding was. We're so pleased with how he supported us on the day to make it such a memorable experience.

Smashed it!

Incredible service and attention to detail! I would recommend Ross Mac and RM Event Solutions to everyone. Ross helped us from start to finish planning our big day and made us feel at ease. His attention to detail and ensuring we had exactly what we wanted was amazing.

Not only is Ross a world-class DJ who keeps the dance floor full, but he also arranged a fantastic saxophonist, percussion player, and even MC PSG for our wedding party – everyone was blown away. Massive thank you to Ross and RM Event Solutions for making our day so special. Mike & Emma x

Never in doubt...

From the moment we booked our wedding date, we knew we wanted Ross to DJ. He even travelled to Greece for our wedding and post-wedding party – and he smashed it! Our guests are still talking about the music.

I've known Ross for years and he is the absolute BEST. Organised, professional, and he always smashes the music. I've seen him at so many weddings and events – the dance floor is always packed from start to finish.

I just hope he's still at it to play at my 40th, 50th & 60th!
